Privacy Statement - How we use and disclose your personal information

Energy Safe Victoria (Energy Safe) is committed to protecting the privacy of your personal information in accordance with the *Privacy and Data Protection Act 2014*. We will use the personal information collected via this application form to process your application. If you provide us with information about other individuals, we rely on you to make them aware that such information will or may be provided to us as part of your application. Failure to provide some or all the information requested may mean your application cannot be processed.

In order to process your application, we may share the personal information in this form within Energy Safe and with third parties in order to obtain or confirm information relevant to your application such as information about your qualifications, your criminal record, your work history, the details of any other occupational licences you hold and any disciplinary matters related to those licences.

We will also use it for ongoing purposes, such as:

- the administration and enforcement of legislation administered by Energy Safe Victoria including the *Electricity Safety Act 1998* and the regulations made under that act
- responding to complaints about electrical installation work
- providing Certificates of Electrical Safety information to your customers and the owners or occupiers of premises to which the certificates relate
- providing Certificate of Electrical Safety information to our external auditors who may carry out safety audits of the work described in the certificate
- providing information to other government agencies, including emergency services, law enforcement and security agencies, including Victoria Police if the information is reasonably required by that agency to carry out an investigative, law enforcement or regulatory function
- disclosing your licence or registration status to employers, prospective employers or members of the public who wish to check this status
- to maintain any public registers required by our regulations
- for communications purposes and to provide you with relevant updates and general information about Energy Safe's activities and safety alerts
- prosecution or disciplinary action when we suspect that fraud or unlawful activity has been, is being or may be engaged in; and
- any other purposes required or authorised by law
- we may also disclose your personal information to our contracted service providers that help deliver our services (which may include organisations that provide archival, auditing, professional advisory, banking, mail house, delivery, call centre, information technology, research, utility and security services). We may also disclose your personal information to your authorised representatives or third parties acting on your behalf (for example, your solicitor or interpreter)
- you can request access to the personal information we hold about you at any time. We will try to give you access with as little formality as possible and without charging a fee. However, where your request is difficult or time consuming to answer, or where it involves personal information about other people, we may have to use freedom of information procedures to process the request
- if you become aware that personal information we hold about you is not accurate, complete or up-to-date, you can ask us to correct it
- if you are unhappy about the way we have handled the privacy of your personal information, you may wish to discuss your concerns with the Energy Safe's Privacy Officer. You may complain in person, by telephone or in writing. You can also discuss your concerns directly with Privacy Victoria, which is an independent and impartial dispute resolution service.
